

Villa Macri is proud to present its 2009 award winning wine list. Wine Spectator cited our list as “offering a well-chosen selection of quality producers...while also employing a below-normal markup.” As the only Indiana restaurant north of Indianapolis to receive the Wine Spectator inexpensive wine pricing designation, we pride ourselves in offering you, the wine lover, “uncommon value.”

Since our doors opened in 2008, our list has grown to 160 selections representing 13 countries and 30 different grape varieties. Our emphasis is on Italian and Californian wines, but we also showcase a number of site specific selections.

Villa Macri also hosts one wine event a month ranging in price and scope. Events include wine classes, walk around wine tastings, wine dinners, as well as varietal blind tastings. Sign up at the host stand to receive updates on upcoming events. Thank you and enjoy the wine. ∞ *Jason Forbes, Wine Director*
